

## GOP Tea Party Privacy Policy

GOP Tea Party is committed to ensuring the protection of personal information of our staff, customers, clients and users of this web site. It has always been fundamental to the way we do business at GOP Tea Party in all our relationships, either on or off the Internet: we are committed to keeping personal information accurate, confidential, secure and private.

GOP Tea Party's policy is simple: we collect personal information about you only when you knowingly and willingly provide it, and we will not share or otherwise profit from the distribution of personal data beyond the use it was provided to fulfill.
